IES INSTITUTE OF PHARMACY

Promotion Policy

Criteria for promotions

Appraisal Process:

The internal assessment is carried out on annual basis for

- a) Evaluation of faculty performance at the end of probation for confirmation,
- b) Assessment of faculty performance for consideration of increments and promotions.

The appraisal forms are filled by every faculty member and submitted to HR & HR checks the formats and seeks comments of HOD's & Principal. The overall comments are then put up to HR Committee.

The following factors are considered for the final recommendation:

- Faculty member's attainment of defined objectives and goals.
- Contributions made at department & college level
- New additions at department & institute level
- Self-development through Skill additions & research orientations
- Publication of research work
- Supervision of projects
- Development of subordinates
- Quality of classroom teaching
- Promptness in completing assignments
- Interaction with industry for industry training

The above factors have defined weightages. The evaluation is done based on self appraisal, remarks of HOD/principal in a fair and objective manner.

Basis for promotions

Quantitative analysis based on the above defined factors is the basis for promotions & increments.
